

DELIVERING FOR DEVELOPMENT IN ALBANIA

Dear partners and UN friends. We are pleased to present the first edition of our quarterly newsletter.

News contained here, highlight our joint endeavours to advance human rights, empower women and girls to ensure a more sustainable future, combat the effects of climate change, access to justice, improve basic service for citizens, give a boost to the economy, tackle inequalities, combat corruption and build an inclusive society. With the adoption of 2030 Agenda and the sustainable development goals, 2016 presents an unprecedented opportunity to embark on a new path to improve the lives of people in Albania. You can find more detailed information, through the links provided. We recommend this newsletter to a wide audience to gain more insight into our work, results and impact.

READ OUR STORIES

Helping Albania recover from the worst floods in living memory.

In February 2015, water overflow from the Drinos river in Albania washed away the protective embankment of Suhe Village, causing flooding over around 300 hectares of farmland, pastures, homes and local businesses. Ali, a shepherd, watched half of his flock be swept away in the flood.
