MISSION

The Container Control Programme in Albania is to build capacity in seeking to improve risk management, supply chain security and trade facilitation at Durrës Port and Tirana International Airport in order to prevent the cross-border movement of illicit goods.
The Container Control Programme works to:

* facilitate implementation of the Integrated Border Management Strategy;
* scale up of the operations of the Control Units at the Port and Airport;
* enhance use of criminal intelligence/risk indicators as a tool to interdicting illicit trafficking and contraband.
